(c) whether the amount will be distributed directly or through the Industrial Finance Corporation which is to be constituted ?

A.—Sri T. MARIAPPA (Minister for Finance).—

(a), (b) & (c) The Hon'ble Member, perhaps, refers to Refinancing Corporation, the details of which scheme have not been furnished to this Government.

Sri V. P. DEENADAYALU NAIDU.—What is the quota of Mysore State out of the quota of 24 crores for the medium industries?

***Sri T. MARIAPPA.**—The question is not clear.

Sri V. P. DEENADAYALU NAIDU.—What is the allotment for the State of Mysore, out of the 26 crores?

Sri T. MARIAPPA.—I do not know what exactly he means by diverting of 26 crores, because he has beaten me hollow in this case. We have not received any circular with regard to the diversion of 26 crores. It is very difficult to answer this question.

Sri V. P. DEENADAYALU NAIDU.—Has it come to the notice of the Government that there is a scheme for financing the medium industries and for which the Centre is giving succour?

Sri T. MARIAPPA.—I am aware of the fact that the Government of India is financing industries, both small scale, cottage and even big industries. But the question is whether it is not a fact that Rs. 26 crores are diverted for financing private sector. But such a thing has not come to our notice.

Sri V. P. DEENADAYALU NAIDU.—Is the Government of Mysore financing any scheme or in the process of finalising, is there any scheme sponsored by the Centre that we have received or that you yourselves have initiated and finalised for financing medium industries?

Sri T. MARIAPPA.—I am afraid the question is not clear. I may draw his attention to the first question where it is stated that 26 crores has been diverted for financing the private sector. No such scheme has been sent to us so far.
